## **BARJORA COLLEGE- A Brief History**

Barjora College (presently under Bankura University) was established in 1985 when virtually higher education was a long way off, especially to the economically backward classes of the Northern Bankura District. To cater the need of higher education a few distinguished education-lovers, dedicators and social reformers of the locality came to the forefront to realise the long-cherished dream to set up a College. After hard and unflinching struggle the distinguished personalities, also the common people of the area and a few members of the Mondal family provided land and fulfilled other necessary conditions for sanctioning the college. However, after Govt. approval this Institution was initially started in Barjora High School, later it was shifted to its own building in 1986 with a poor infrastructural facility. Gradually, it could find its own way of existence with increasing amenities in the open atmosphere of flora and fauna.

After a 'ten years pass course run' considering the growing demand of the people for extension of greater facilities of higher education emerging from the changing socio-economic conditions in the rural Northern Bankura District The University of Burdwan and concurrently the State Govt. sanctioned English Honours first in 1995. Later, Bengali Honours, History Honours, Political Science Honours and Philosophy Honours courses were introduced. Geography and Sanskrit Honours have also come into existence in this college. In this year (2023) we got two new subjects Education & Sociology from Bankura University.

The NSS wing of the college also functions very well. At present the college also offers various computer science courses under the approval of Webel. Now this Institution is firm enough to uphold and continue the educational excellence of the students as well as to build the character and personality so that they transform into ideal citizens for the greater service of the country.

Barjora College pays homage to the long serving employees who have left this college or retired after service. We will always remain grateful to them for their valuable service.

Barjora College pays its reverence to the employee who has left this mundane world for heavenly abode. May his soul rest in peace.

Barjora College further pledges that we will always remain in good and cordial relations amongst our colleagues in future for the welfare of the Institution.

## **PRINCIPAL'S WORDS**

Barjora College, P.O. Barjora, Dt. Bankura, W.B was established in 1985 when virtually higher education was a long way off especially to the economically backward people of the Northern Bankura district. To cater the need of higher education a few distinguished education-lovers and dedicators of the locality came to the forefront to realize the long-cherished dream of setting up a college. After hard and unflinching struggle the college was sanctioned on 05/09/1985 and it started functioning as a pass/general course college with six subjects i.e. Bengali, English, History, Philosophy, Political Science and Economics for about ten years with its poor infrastructural facility. After a 'ten year pass/general course run', considering the growing public demand for extension of greater facilities of higher education emerging from the changing economic conditions in the rural Northern Bankura district, the University of Burdwan and concurrently the State Government (W.B) sanctioned Honours courses one after another including Geography & Sanskrit Honours except Economics.

The aim of our college is to make a perfect man in terms of academic, social and moral considerations. Hence we try our best to impart quality education and do take individual care to bring out the perfect man which is dormant within the mind of the young learners .Formal Examinations, good result and class tests are necessary for students since these are instrumental in building up one's knowledge, character and personality which prophesies the prospect of a nation .Our college maintains this motto continually for greater service of the individual and the society as a whole.

It is my highest pleasure to see the steady growth of this College which, in future, will flourish into a full-grown tree. Men may come and go but the college will stand dedicated for the welfare of the society which will ultimately determine the prospect of the nation. Keeping all these factors in mind we are pledged to dedicate ourselves to fulfil our mission of learning.
